# "Where Are The 9?"

Luke 17:12-19

Pastor Chris Gulledge

## Introduction

Calvin Miller asked the question, "What is the difference between a good leper and a bad leper?" He answers his own question this way; good lepers know how good clean feels. Bad lepers know they have been healed but go on living like they never had the disease."

1. They all had a need vs. 12-13
2. They all were given a gift v. 15
3. Only 1 said thank you v.15-16

## Application

1. It is easy to forget the gift we have been given v. 17-18
2. Gratitude is a lifestyle that sees God's hand in every day.
3. An unthankful life cannot be focused on Jesus
