"Obedience in the Face of Opposition"

Acts 4:1-22

Pastor Chris Gulledge

Introduction

As we continue our journey through the book of Acts, we come to the first bump in the road for the believers of the first century.

What should have been a wonderful experience, the healing of the lame man, turns out to be the beginning of the first real challenge for the followers of Christ. What excites some has the potential to incite others!

Big Idea

Being right with God does not always allow you to be right with men.

Why?

1. The power of God is not always welcomed.
2. The truth of God is not always received.
3. The Son of God is not always popular.

Application

1. It is never wrong to do what we know is right.
2. Pleasing God is first on the agenda.
